SPA Name: Establish/Enforce child support orders (CSRU)

SPA Description:

Child Support Recovery assists families of Iowa to achieve and maintain financial self-sufficiency by establishing and enforcing child and medical support orders, and by processing support payments. It is a national leader and ranks consistently among the top ten states in overall performance. CSRU establishes paternity and child support orders to establish a legal obligation for both parents to provide for their children. The goal of the program is to assist custodial parents to receive court-ordered child support payments, and to assist in determining paternity in out-of-wedlock births. Recoveries assist taxpayers by helping to reimburse government costs for custodial parents who receive public assistance. CSRU enforces the obligation to pay for over 636,249 individuals collecting over \$325.8 million for Iowans through the processing nearly 3 million payments per year.

SPA Name: PROMISE JOBS - Promoting independence and self-sufficiency through employment job opportunities and basic skills.

SPA Description:

Provides training, education and employment services to families receiving cash assistance under the Family Investment program (FIP). PROMISE JOBS (Promoting Independence and Self Sufficiency through Employment) helps families become more economically self-sufficient and avoid long-term dependence on public assistance. Participation in PROMISE JOBS is required for most FIP recipients. Participants develop a Family Investment Agreement (FIA) that outlines what steps they will take to leave public assistance. Each FIA is individualized to a participant's needs. Persons who fail to participate or fail to comply with their FIA are considered to have chosen a Limited Benefit Plan (LBP), and lose their FIP benefits. Services include intensive job search activities for finding employment; employment; work experience or unpaid community service; basic education, including assistance with high school completion, GED, adult basic education, and English-as-a-second-language; post-secondary training; parenting skills improvement training; family development services to assist families in overcoming significant barriers to self-sufficiency; life skills training to support money management, nutrition, parenting information, and developing community resources; and some limited financial assistance for transportation and childcare, depending on the activity and available funding. Services are currently provided under a contract with the Iowa Department of Workforce Development. These services enable the state to meet federally mandated work participation requirements as a condition for receiving approximately \$131 million in federal funds annually under the Temporary Assistance for Needy Families (TANF) block grant. In SFY10, a monthly average of 14,527 persons were served through PROMISE JOBS.

PM Performance Measure

153 TANF work participation rate (target specified by TANF federal block grant)

FY16 Target Strategy

38% Increase work participation through a focus on
a. Participants having no hours reported in federal reporting categories and increasing their involvement in either countable activities or self-sufficiency activities that will lead to participation in countable federal activities.
b. Identifying strategies for 2-parent families
c. Short-term FIAs or longer-term FIAs showing appropriate status reviews
d. Special supports for participants with disabilities

SPA Number: 413_22023

SPA Name: Food Assistance Employment and Training (FAET) Program

SPA Description:

Provides food assistance and employment and training services to non FIP food assistance recipients and families for the purpose of enhancing their employability. Recipients can purchase food using an electronic benefit transfer swipe card. The program brought in \$509,549,722 in federal food assistance benefits (formerly known as food stamps) to a monthly average of 151,889 households in SFY 2010. The U.S. Department of Agriculture has estimated that every \$5 of benefits generates \$9.20 in local and state economic activity. The economic benefit was over \$937.6 million for Iowa in SFY 2010. Through the Food Assistance Employment and Training (FAET) program, job seeking skills training and employment assistance are provided to people receiving food assistance who do not receive cash assistance under the Family Investment Program (FIP). The FAET program is offered only in Polk and Linn counties under a contract with Iowa Workforce Development. However, the FAET status of all food assistance recipients must be determined and recorded using the state information system. Federal law requires a state have an FAET program to receive federal support for a food assistance program.
